

DISA SEMINAR

29th June 2017

BIRMINGHAM HIPPODROME
THEATRE

INFORMATION ASSURANCE - PROGRAMME

Each presentation will be followed by a question and answer session

From 09:00	Seminar Registration (Tea & Coffee)
09:55	Welcome Address – Tracy Andrew, DISA Chairman
10:10 10:50	John Bayliss – Threats & Vulnerabilities. All communications are vulnerable – it's just that some are more vulnerable than others! Discussing industrial espionage, Tempest attacks and mobile telephones.
10:50 11:20	Tea & Coffee
11:20 11:55	Ian Glover – CREST – Assurance in Information Security - The evolving threat landscape and how the Defence Industry needs to obtain greater levels of information security assurance in its supply chain, to have confidence in the protection of critical assets and industrial control systems.
12:00 12:40	Martin Burke – Secure IT Disposals – The Lifecycle of an Asset. How to mitigate risk from procurement to final disposal. Future proofing your resilience, dealing with the here and now, handling the legacy.
12:40	Lunch
13:50 14:30	Stuart Green – SJG Digital – The Police Perspective – Prepare, Prevent, Protect and Pursue. The Information Assurance spectrum and introducing concepts such as exploitation by social media.
14:35 15:15	Ken Munro – Pen Test Partners – Weaponising the Internet of Things. The weaponisation of the IoT by cyber criminals is already underway, so it's only a matter of time before nation states also start using this resource, increasing the need for us to address its security. Demonstrations, insights and advice on what we can do to prevent IoT hell.
15:20 16:00	Will Geddes – International Corporate Protection Group - Physical Penetration Testing – The Good, the Bad and the Ugly. The value of carrying out these tests, the benefits, pitfalls and risks and what should be considered and how to qualify and guide any external resources used to implement these reviews.
16:05	Closing Address – Tracy Andrew, DISA Chairman
16:10	Tea & Coffee and Networking
